

VIDYASAGAR INSTITUTE OF GENETIC STUDIES & RESEARCH

in collaboration with

Padamashree Dr. D.Y. Patil Medical College, Pimpri, Pune

offers a

CERTIFICATE COURSE IN MEDICAL GENETICS

(Endorsed by Indian Medical Association, Pune Branch)

About Vidyasagar & VIGSR

Vidyasagar Classes, founded in 1985, has the tradition of providing superior quality education and is reputed for its training/coaching programs for various entrance exams. One of its divisions, Vidyasagar Panacea is dedicated towards training doctors for postgraduate entrance exams. Vidyasagar Panacea has coached almost 10,000 interns from Medical Schools all over India since its inception in 1997, through its centers and dedicated faculty at some centers in Maharashtra and select cities in India.

The Vidyasagar group initiated the project of training doctors in Medical Genetics in January 2006. It was a pioneering effort in the country, as there were no comprehensive training programs in Genetics.

Our curriculum is developed with inputs from reputed national and international advisors and other experts in each field of Genetics.

In Mumbai, we conduct a Postgraduate Diploma in Medical Genetics, a one year program which includes classroom training sessions, hands-on experience in the laboratory (karyotyping, PCR, Metabolic Genetics), genetic counseling and focused clinical exposure by giving first hand experience with patients having genetic disease.

Medical Genetics Course in Pune

We introduced the weekend Certificate Courses in Medical Genetics for the first time at Padmashree Dr. D. Y. Patil Medical College Pimpri in January 2008. We received a good response and the course was highly appreciated by the participants, as it introduced them to different facet of Medicine.

Now VIGSR is launching the same course in Pune city. The course has been designed to make it convenient for practicing Clinicians and other doctors who do not find time during weekdays. Hence this course will be conducted only on Sundays

Course features

- Lectures will be held on **Sundays only** to benefit practicing Clinicians
- Comprehensive coverage of the theory by expert faculty in Genetics
- Theory topics to include – Basic Genetics, Cytogenetics, Molecular Genetics, Metabolic Genetics, Clinical Genetics and Genetic Counseling
- Genetics to be taught as is relevant to Medical practice
- Demonstrations of genetic diagnostic procedures including karyotyping, PCR, enzyme estimations, chromatography, etc
- Orientation to the Genetic Counseling process
- Key genetic disorders unraveled through clinical case studies involving real patients

Benefits of the Course

For practicing Clinicians:

- Will help Clinicians in the early diagnosis of genetic disease based on the recognition of subtle clinical signs
- Correct interpretation of Genetic diagnostic data
- Will provide a systematic clinical and diagnostic approach for better management of suspected genetic disorders
- Practicing Pediatricians and Obstetricians can add the genetic counseling competency to their current practice
- Better understanding of CME updates in scientific journals by getting familiar with terms related to genetics

For Medical students:

- Better employment and research opportunities in hospitals, pharmaceutical industries & research Institutes after acquiring theoretical and skill based basic knowledge in genetics
- First hand experience in genetics will boost the prospect of overseas study and research
- Acquiring the basic knowledge will be helpful for students appearing for competitive exams and will help to comprehend the facts related to genetics

Eligibility

- Medical practitioners of ALL disciplines
- PG students
- MBBS interns

Course commences - Sunday 4th May, 2008.

Course duration - 10 Sundays

Course Venue - Vidyasagar Classes, Pune

Course fee - Rs. 17,000/- (Plus service tax)

How to apply

The course fee can be paid by cash or cheque or demand draft (DD) drawn in favour of 'Vidyasagar Arogya Private Limited', Mumbai. The attached application form duly filled along with the prescribed course fee can be handed over personally or sent by courier either to our Pune or Mumbai office. The address and contact details of the two offices are given below –

Vidyasagar Institute of Genetic Studies and Research

In collaboration with

Padmashree Dr. D.Y. Patil Medical College, & Indian Medical Association Pune branch.

Certificate Course in Medical Genetics (Batch-2)

ADMISSION FORM

Name: _____
 (Last name) (first name) (middle name)

Educational Qualification: _____

Current Occupation: _____

Permanent address: _____

City _____ State _____ Pin code _____

Address for correspondence _____

City _____ State _____ Pin code _____

Tel (Res) _____ Cell _____

E-mail: _____

Gender M F Date of Birth _____ Age _____

Please affix recent passport size photograph.

Undertaking
 I have carefully read the instructions and have been informed about the details about the course. I agree to abide by the decisions of Vidyasagar Arogya Pvt. Ltd. regarding to the program. I certify that the information furnished in this application form is correct to the best of my knowledge and belief.

Place: _____
 Date: _____ Signature of the Applicant

INSTRUCTIONS

1. Please provide correct information. Admission granted on incorrect information will be ipso facto null and void.
2. Incomplete forms will not be accepted.
3. In all matters regarding admission to the program, the decision of Vidyasagar Arogya Pvt. Ltd will be final and binding on the applicants.
4. Fees once paid will not be refundable

Note: Please attach photocopy of the latest degree certificate/marksheet along with this form
